

GPS Challenge 2017

The GPS Challenge for 2017, held in August during Goldfield Days, was well received. Each participant had a chance at the Grand Prize drawing which was a Two Person 3-Day Meal Kit from Backpacker's Pantry.

The winner was Shannon Stringer of Tonopah, Nevada. We thank all the participants as well as the generous folks who stopped by the Historical Society booth with donations and just to visit. You made our event a success.

<--This little cutie was a special visitor and arrived in style!
